ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Falmouth Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Falmouth Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Falmouth Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Falmouth Housing Authority's programs.

No inquiries shall be made about a person's sexual orientation or gender identity. However, the Falmouth Housing Authority may inquire about a person's sex in order to determine the number of bedrooms a household may be eligible for under the occupancy standards or to accurately complete HUD's 50058.

To further its commitment to full compliance with applicable Civil Rights laws, the Falmouth Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Falmouth Housing Authority office. In addition, all appropriate written information and advertisements will contain the proper Equal Opportunity language and logo.

The Falmouth Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Falmouth Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

The Falmouth Housing Authority will keep records of all complaints, investigations, notices and corrective actions for five years.
2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Falmouth Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Falmouth Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Falmouth Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not
apparent or documented, the Falmouth Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Falmouth Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Falmouth Housing Authority will not inquire as to the nature of the disability.

C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The Falmouth Housing Authority's business is housing. If the request would alter the fundamental business that the Falmouth Housing Authority conducts, that would not be reasonable. For instance, the Falmouth Housing Authority would deny a request to have the Falmouth Housing Authority do grocery shopping for a person with disabilities.

2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Falmouth Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

D. Generally the individual knows best what it is he or she needs; however, the Falmouth Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Falmouth Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Falmouth Housing Authority's programs and services, the Falmouth Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Falmouth Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Falmouth Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Falmouth Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.
Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR LIMITED ENGLISH PROFICIENCY APPLICANTS AND RESIDENTS

The Falmouth Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The Falmouth Housing Authority shall balance these factors in deciding what to do:

A. The number or proportion of LEP persons served or encountered in the eligible service area;
B. The Frequency with which LEP individuals come in contact with the program;
C. The nature and importance of the program, activity, or service provided by the program; and
D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the Falmouth Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the Falmouth Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the Falmouth Housing Authority shall utilize multilingual “I speak” cards to the maximum degree possible.

4.0 FAMILY OUTREACH

The Falmouth Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Falmouth Housing Authority will distribute fact sheets to the broadcasting media and initiate personal
contacts with members of the news media and community service personnel. The Falmouth Housing Authority may also try to utilize public service announcements.

The Falmouth Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Falmouth Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

A. Statement of Policies and Procedures governing Admission and Continued Occupancy

B. Notice of the status of the waiting list (opened or closed)

C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours

D. Income Limits for Admission

E. Excess Utility Charges

F. Utility Allowance Schedule
G. Current Schedule of Routine Maintenance Charges
H. Dwelling Lease
I. Grievance Procedure
J. Fair Housing Poster
K. Equal Opportunity in Employment Poster
L. Any current Falmouth Housing Authority Notices
M. The Agency’s PHAS score and designation.

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at 115 Scranton Avenue, Falmouth, MA 02540.

Applications are taken to compile a waiting list. Due to the demand for housing in the Falmouth Housing Authority jurisdiction, the Falmouth Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Falmouth Housing Authority will verify the information. Applicants will be provided the opportunity to complete the information on form HUD-92006, Supplement to Application for Federally Assisted Housing. The form gives applicants the option to identify an individual or organization that the Housing Authority may contact and the reason(s) the individual or organization may be contacted. The applicants, if they choose to provide the additional contact information, must sign and date the form.

If the applicant chooses to have more than one contact person or organization, the applicant must make clear to the Housing Authority the reason each person or organization may be contacted. The Housing Authority will allow the applicant to complete a form HUD-92006 for each contact and indicating the reason the Housing Authority may contact the individual or organization. For example, the applicant may choose to have a relative as a contact for emergency purposes and an advocacy organization for assistance for tenancy purposes.

Those applicants who choose not to provide the contact information should check the box indicating that they “choose not to provide the contact information” and sign and date the form.
Applications may be made in person at the Falmouth Housing Authority on Monday through Friday from 9 a.m. to 4:30 p.m. except Wednesday when the agency closes at noon. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Falmouth Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Falmouth Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 1-800-545-1833 Ext. 185.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e., family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family’s placement on the waiting list.

Upon receipt of the family’s pre-application, the Falmouth Housing Authority will make a preliminary determination of eligibility. The Falmouth Housing Authority will notify the apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Falmouth Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Falmouth Housing Authority will annotate the applicant’s file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Falmouth Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family’s final eligibility for admission into the Public Housing Program.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they so desire.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION
There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Falmouth Housing Authority screening criteria in order to be admitted to public housing.

8.2 ELIGIBILITY CRITERIA

A. Family Status - All families must have a Head of Household or Co-Heads of Household. Family includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status:

1. A family with or without children. Such a family is defined as a group of people related by blood, marriage, adoption or affinity (regardless of actual or perceived sexual orientation, gender identity, or marital status) that live together in a stable family relationship.
   a. Children temporarily absent from the home due to placement in foster care are considered family members.
   b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.

2. An elderly family, which is:
   a. A family whose head (including co-head), spouse, or sole member is a person who is at least 62 years of age;
   b. Two or more persons who are at least 62 years of age living together; or
   c. One or more persons who are at least 62 years of age living with one or more live-in aides.

3. A near-elderly family, which is:
   a. A family whose head (including co-head), spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
   b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.

4. A disabled family, which is:
   a. A family whose head (including co-head), spouse, or sole member is a person with disabilities;
   b. Two or more persons with disabilities living together; or
   c. One or more persons with disabilities living with one or more live-in aides.
   d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.

5. A displaced family, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.

6. A remaining member of a tenant family. If the remaining member of a tenant family is a minor or minors, it will be necessary for an adult to temporarily move into a unit to serve as a guardian for children residing in the unit. The income received by the temporary guardian will be counted in determining family income. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a guardian in this situation. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement guardian or vacate the property.

7. A single person who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits
on it, a lower income cap will apply.

2. Income limits apply only at admission and are not applicable for continued occupancy.

3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Falmouth Housing Authority.

4. If the Falmouth Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.

5. Income limit restrictions do not apply to families transferring within our Public Housing Program.

6. The Falmouth Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.

7. If there are no eligible families on the waiting list and the Falmouth Housing Authority has published a 30 calendar-day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

2. Family eligibility for assistance.

a. A family shall not be eligible for assistance unless at least one
member of the family residing in the unit is determined to have eligible status, with the exception noted below.

b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the noncitizen rule).

c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

All adults must be able to sign the lease. If the State of Massachusetts forbids individuals with ineligible immigration status from executing contracts (i.e., leases or other legal binding documents), then they are ineligible for this program.

D. Social Security Number Documentation

Prior to admission, every family member regardless of age must provide the Falmouth Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Housing Authority may grant one ninety (90) day extension for newly-added family members under the age of six if in its sole discretion it determines that the person’s failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or recertification.

Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number. This exemption continues even if the individual moves to a new assisted unit.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along
with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided. If the Social Security Number of each household member cannot be provided to the Falmouth Housing Authority within ninety (90) calendar days of it being requested, the family shall lose its place on the waiting list and they can re-apply. During the 90 days, if all household members have not disclosed their SSN at the time a unit becomes available, the Falmouth Housing Authority must offer the available unit to the next eligible applicant family on the waiting list.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Housing Authority may grant one ninety (90) day extension from termination if in its sole discretion it determines that the person’s failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.

2. The consent form must contain, at a minimum, the following:

   a. A provision authorizing HUD or the Falmouth Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;

   b. A provision authorizing HUD or the Falmouth Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;

   c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
d. A statement allowing the Falmouth Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies; and

c. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 **SUITABILITY**

A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Falmouth Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Falmouth Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

B. The Falmouth Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

1. History of meeting financial obligations, especially rent and any utility payments;

2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;

3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

4. History of disturbing neighbors or destruction of property;

5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Falmouth Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Falmouth Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse and co-head;

2. A rental history check of all adult family members;

3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. The Falmouth Housing Authority may contact law enforcement agencies where the individual had lived, request a check through the FBI's National Crime Information Center (NCIC), or utilize an appropriate other search vehicle. This criminal background check will proceed after each adult household member has signed a consent form designed by the Falmouth Housing Authority. The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Falmouth Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Falmouth Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit if one has a questionable landlord reference. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and

5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Falmouth Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list. The Falmouth Housing Authority will utilize the
US Department of Justice’s Dru Sjodin National Sex Offender website as an additional resource. The Dru Sjodin National Sex Offender Database is an online, searchable database, hosted by the Department of Justice, which combines the data from individual state sex offender registries.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

8.4 GROUNDS FOR DENIAL

The Falmouth Housing Authority is not required or obligated to assist families where applicants or members of the applicant’s household:

7 A. Do not meet any one or more of the eligibility criteria;

B. Do not supply information or documentation required by the application process;

C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;

D. Have a history of not meeting financial obligations, especially rent;

E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;

F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property.

For the purpose of this Policy, if any member of the applicant family has been convicted of a crime within the past ten years or has not been free from incarceration for at least seven years with as clean record shall be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

Being a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The Authority will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in Section 20.2B of the ACOP, and must be
submitted within 14 business days after receipt of the Housing Authority's written request for verification.

G. Have a history of disturbing neighbors or destruction of property;

H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;

I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;

J. Were evicted from federally assisted housing within the past ten years because of drug-related criminal activity. The ten-year limit is based on the date of such eviction, not the date the crime was committed.

However, the Falmouth Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Falmouth Housing Authority; or

2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).

K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is "currently engaged in" the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current.

L. The Falmouth Housing Authority determines that it has reasonable cause to believe that a household member's illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

M. The Falmouth Housing Authority determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, Falmouth Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household
member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

N. Have engaged in or threatened abusive or violent behavior towards any Falmouth Housing Authority staff member or resident;

O. Have a family household member who has been terminated under the certificate or voucher program;

P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;

Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Falmouth Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;

2. Has successfully completed a supervised drug or alcohol rehabilitation program; or

3. Has otherwise been successfully rehabilitated.

For this purpose, Falmouth Housing Authority will require the applicant to submit evidence of the household member’s current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the Falmouth Housing Authority denies admission to the Falmouth Housing Authority’s public housing program on the basis of a criminal record, the Falmouth Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e., the child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing. If the Falmouth Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

8.5 **INFORMAL REVIEW**
A. If the Falmouth Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Falmouth Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The Falmouth Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Falmouth Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Falmouth Housing Authority's decision. The Falmouth Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

B. The applicant may request that the Falmouth Housing Authority provide for an Informal Hearing after the applicant has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicant, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public
notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 **ORGANIZATION OF THE WAITING LIST**

The waiting list will be maintained in accordance with the following guidelines:

A. The application will be a permanent file;

B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and

C. Any significant contacts between the Falmouth Housing Authority and the applicant will be documented in the applicant file.

9.3 **FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be within three (3) months of being offered a unit, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family’s name will be returned to the appropriate spot on the waiting list. The Falmouth Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they desire.

9.4 **PURGING THE WAITING LIST**

The Falmouth Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Falmouth Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 **REMOVAL OF APPLICANTS FROM THE WAITING LIST**

The Falmouth Housing Authority will not remove an applicant’s name from the waiting list unless:
A. The applicant requests in writing that the name be removed;

B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;

C. The applicant does not meet either the eligibility or suitability criteria for the program; or

D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Falmouth Housing Authority may be sent a notice of termination of the process for eligibility.

The Falmouth Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Falmouth Housing Authority will work closely with the family to find a more suitable time.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Falmouth Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Falmouth Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Falmouth Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES
The Falmouth Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities for all the property we own and/or manage regardless of the source of funds:

A. The applicant has been involuntarily displaced and is not living in standard permanent housing, or:

1. The applicant has vacated his or her unit as a result of actual physical or mental abuse directed against applicant or one or more members of the applicant's family by a spouse or other member of the applicant household. Appropriate proof of this situation must be provided. The abuser cannot live in the unit without a specific finding by the Housing Authority that appropriate treatment has been received by the abuser.

2. Displacement to avoid reprisals if family members provided information on criminal activities to a law enforcement agency and the law enforcement agency recommends re-housing the family to avoid risk of violence against family members.

3. Displacement by hate crimes if one or more members of the applicant's family have been the victim of hate crimes, and the applicant has vacated a housing unit because of such crimes or the fear associated with such crimes.

4. Displacement by the inaccessibility of a unit because a member of the family has a mobility or other impairment that makes the person unable to use the critical elements of the unit, and the owner is not legally obligated to make changes to the unit that would make critical elements accessible to the disabled person as a reasonable accommodation.

5. Displacement because of HUD disposition of multi-family projects.

6. Homeless according to the Federal Definition of Homelessness (Title 42, Chapter 119, Subchapter I, of the United States Code).

B. The applicant is living in substandard housing (a homeless family is considered to be living in substandard housing).

C. The applicant is paying more than 50% of gross monthly income for rent and utilities for at least 90 days.

D. People who live or work in the Town of Falmouth. The residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin,
gender, religion, disability, or age of any member of an applicant family. Work is defined as working for at least 15 hours a week for the past 6 months.

E. People who live or work in the remainder of Barnstable County, Dukes, or Nantucket Counties. Work is defined as working for at least 15 hours a week for the past 6 months.

F. A veteran of the US Armed Forces with an honorable discharge or his or her surviving spouse.

Based on the above preferences, each of these preferences shall be worth one point each on a preference score except those applicants living or working in the Town of Falmouth shall get five points for that preference. Families with the greatest number of preference points shall be housed before families with a lesser number of points.

The date and time of application will be noted and either it or a lottery will be utilized to determine the sequence within the above-prescribed preferences.

Not withstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled (Mixed Population Developments): Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority’s expense) if, at a future time, a family requiring an
accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

10.1.1 FEDERAL DISASTERS

In the case of a federally declared disaster, the Falmouth Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

<table>
<thead>
<tr>
<th>Number of Bedrooms</th>
<th>Number of Persons</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Minimum</td>
</tr>
<tr>
<td>0</td>
<td>N/A</td>
</tr>
<tr>
<td>1</td>
<td>1</td>
</tr>
<tr>
<td>2</td>
<td>N/A</td>
</tr>
<tr>
<td>3</td>
<td>N/A</td>
</tr>
<tr>
<td>4</td>
<td>N/A</td>
</tr>
</tbody>
</table>

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons.

10.3 SELECTION FROM THE WAITING LIST

The Falmouth Housing Authority shall follow the statutory requirement that at least 40% of newly-admitted families in any fiscal year are families whose annual income is the higher of either 30% of the Area Median Income or the Federal poverty level (defined at http://www.huduser.org/portal/datasets/il/il4/index.html as extremely low-income). To ensure this requirement is met, the Housing Authority shall monitor the incomes of both newly-admitted families and families on the waiting list on a quarterly basis. If it appears that the requirement to house extremely low-income families will not be met, the
Housing Authority will skip higher-income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 OFFER OF A UNIT

When the Falmouth Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development.

The Falmouth Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail and given the right to view the unit. The family will be given five (5) business days from the date family was contacted by telephone or from the date the letter was received to contact the Falmouth Housing Authority regarding the offer.

This verbal offer and the family’s decision must be documented in the tenant file. If the family rejects the offer of the unit, the Falmouth Housing Authority will send the family a letter documenting the offer and the rejection.

10.5 REJECTION OF UNIT

If the Falmouth Housing Authority did not skip over other families on the waiting list to reach this family and the family rejects the unit with good cause (Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school)) the family will be place back on the waiting list with the application date revised to the date and time of refusal. Valid 3rd party documentation must be provided to support the refusal. The family may refuse units with good cause for as long as the applicant is able to provide valid 3rd party documentation of the need to refuse a unit. This documentation must be provided/updated each time the applicant’s name reaches the top of the list.

If a family rejects the unit/voucher without good cause, they shall be removed from the waiting list and not allowed to re-apply for a year.

The family will be offered the right to an informal review of the decision to alter their application status.

10.6 ACCEPTANCE OF UNIT
The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process. The orientation shall include the resident’s rights and responsibilities under the Violence Against Women Act.

The applicant will be provided a copy of the lease, the grievance procedure, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant’s file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Falmouth Housing Authority will retain the original executed lease in the tenant’s file. A copy of the grievance procedure will be attached to the resident’s copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to the Total Tenant Payment.

In exceptional situations, the Falmouth Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family may be billed for these charges.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Falmouth Housing Authority adds the income of all
family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Falmouth Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 **INCOME**

Annual income means all amounts, monetary or not, that:

A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or

B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Falmouth Housing Authority believes that past income is the best available indicator of expected future income, the Falmouth Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

If a family reports no income, the family shall re-verify every 30 days that they are still without any income or report any new income that has started within the past 30 days.

Annual income includes, but is not limited to the amounts specified in the federal regulations currently found in 24 CFR 5.609:

A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.

B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.

C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets
used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. The value of funds in a savings or checking account is determined by the amount in the account at the time of verification. Income that could have been derived from assets worth more than $10,000 that were disposed of for less than fair market value within the past two years will be counted as income.

D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

F. Welfare assistance.

1. Welfare assistance payments

   a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

      i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

      ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.

   b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency, as specified in notice to the Falmouth Housing Authority by the welfare agency) plus the total amount of other annual income.

b. At the request of the Falmouth Housing Authority, the welfare agency will inform the Falmouth Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Falmouth Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Falmouth Housing Authority will use this information to determine the amount of imputed welfare income for a family.

c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Falmouth Housing Authority by the welfare agency).

d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

e. The Falmouth Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
f. If a resident is not satisfied that the Falmouth Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Falmouth Housing Authority denies the family's request to modify such amount, then the Falmouth Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Falmouth Housing Authority's determination of the amount of imputed welfare income. The Falmouth Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

a. The Falmouth Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Falmouth Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

b. The Falmouth Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the Falmouth Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Falmouth Housing Authority shall rely on the
welfare agency notice to the Falmouth Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

II.2 ANNUAL INCOME

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

A. Income from employment of children (including foster children) under the age of 18 years;

B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone) or payments made under Kin-GAP or similar guardianship care programs for children leaving the juvenile court system;

C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;

D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

E. Income of a live-in aide;

F. The full amount of student financial assistance paid directly to the student or to the educational institution unless it is an athletic scholarship that includes assistance available for housing costs and that portion is included in income;

G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

H. The amounts received from the following programs:

   1. Amounts received under training programs funded by HUD;

1. Immediately collect the back rent due to the agency;

3. Terminate the lease and evict for failure to report income; or

4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The Falmouth Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and

B. To provide written verification to the Falmouth Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The Falmouth Housing Authority will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. The Falmouth Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

The law enforcement agency shall notify Falmouth Housing Authority that the fugitive felon and/or parole or probation violator (i) is fleeing to avoid prosecution, custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor; or (ii) is violating a condition of probation or parole imposed under Federal or State law; or (iii) has information that is necessary for the officer to conduct his/her official duties;
B. The location or apprehension of the recipient is within the Falmouth Housing Authority’s official duties; and,

C. The request is made in the proper exercise of the law enforcement agency’s official duties.

12.0 VERIFICATION

The Falmouth Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following verification methods acceptable to HUD, in the order of preference indicated:

1. **Up-front Income Verifications (UIV)**

   UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

   Current UIV resources include the following:

   a. **Enterprise Income Verification (EIV)** – The EIV System is a web-based application, which provides PHAs with employment, wage, unemployment compensation and social security benefit information of tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of the Office of Public and Indian Housing (PIH). Information in EIV is derived from computer matching programs
initiated by HUD with the Social Security Administration (SSA) and the U.S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information (name, date of birth (DOB), and social security number (SSN)) reported on the form HUD-50058. Use of the EIV system in its entirety is mandatory for all annual and interim re-examinations. The Falmouth Housing Authority will monitor the following EIV reports on a monthly basis – (1) Deceased Tenants Report, (2) Identity Verification Report, and the (3) Immigration Report. In addition, it will monitor on a quarterly basis the following EIV reports – (1) Income Discrepancy Report, (2) Multiple Subsidy Report, and (3) the New Hires Report. Whether or not an admission is homeless will be noted in the 50058.

b. State Wage Information Collection Agencies (SWICAs)

c. State systems for the Temporary Assistance for Needy Families (TANF) program

d. Credit Bureau Information (CBA) credit reports

e. Internal Revenue Service (IRS) Letter 1722

f. Private sector databases (e.g. The Work Number)

It is important to note that UIV data will only be used to verify a resident’s eligibility for participation in a rental assistance program and to determine the level of assistance the resident is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Falmouth Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Falmouth Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Falmouth Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.
The EIV Income Report must remain in the tenant file for the duration of tenancy and no longer than three years from the end of participation (EOP) date. The Falmouth Housing Authority is required to maintain at a minimum, the last three years of the form HUD-50058, and supporting documentation for all annual and interim reexaminations of family income. All records are to be maintained for a period of at least three years from the effective date of the action. Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

The Falmouth Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

2. Third-Party Written Verifications

An original or authentic document generated by a third-party source dated either within the 60-day period preceding the reexamination or the Falmouth Housing Authority request date. Such documentation may be in the possession of the tenant (or applicant), and is commonly referred to as tenant-provided documents. It is HUD’s position that such tenant-provided documents are written third-party verification since these documents originated from a third-party source. The Falmouth Housing Authority may, at its discretion, reject any tenant-provided documents and follow up directly with the source to obtain necessary verification of information.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include, but are not limited to: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices. Current acceptable tenant-provided documents will be used for income and rent determinations.

The Falmouth Housing Authority will obtain thirty days worth of consecutive pay stubs for determining annual income from wages. For new income sources or when thirty days of pay stubs are not available, the Falmouth Housing Authority will project income based on the information from a traditional written third-party verification form or the best available information.

Note: Documents older than 60 days (from the Falmouth Housing Authority interview/determination or request date) is acceptable for confirming effective dates of income.
Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of $200 a month or more and the participant disputes the UIV results.

**Note:** Social Security benefit information in EIV is updated every three months. If the tenant agrees with the EIV-reported benefit information, PHAs do not need to obtain or request a benefit verification letter from the tenant.

3. **Written Third-Party Verification Form**

Also known as traditional third-party verification. A standardized form to collect information from a third-party source is distributed by the Falmouth Housing Authority. The form is completed by the third-party by hand (in writing or typeset) when sent the form by the Falmouth Housing Authority.

HUD recognizes that third-party verification request forms sent to third-party sources often are not returned. In other instances, the person who completes the verification form may provide incomplete information; or some tenants may collude with the third-party source to provide false information; or the tenant intercepts the form and provides false information.

HUD requires the Falmouth Housing Authority to rely on documents that originate from a third-party source’s computerized system and/or database, as this process reduces the likelihood of incorrect or falsified information being provided on the third-party verification request form. The use of acceptable tenant-provided documents, which originate from a third-party source, will improve the integrity of information used to determine a family’s income and rent and ultimately reduce improper subsidy payments. This verification process will also streamline the income verification process.

The Falmouth Housing Authority will allow seven (7) calendar days for the return of third-party written verifications prior to continuing on to the next type of verification.

4. **Third-Party Oral Verifications**

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation, the telephone number, and the facts obtained.

The Falmouth Housing Authority will allow 5 calendar days for the return of third-party oral verifications prior to continuing on to the next type of verification.
5. **Review of Documents**

When UIV, written and oral third-party verifications are not available within the seven (7) calendar day period allowed in paragraph 3 and five (5) calendar day period allowed in paragraph 4 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

6. **Self-Certification and Self-Declaration**

When UIV, written and oral third-party verifications are not available within the seven (7) calendar day period allowed in paragraph 3 and five (5) calendar day period allowed in paragraph 4 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third-party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-front Income Verification is utilized, the Falmouth Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident’s file.

12.3 **VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS**

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Falmouth Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Falmouth Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Falmouth Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.
The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Falmouth Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, every family member regardless of age must provide the Falmouth Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Falmouth Housing Authority may grant one ninety (90) day extension for newly-added family members under the age of six if in its sole discretion it determines that the person’s failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification. Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number. This exemption continues even if the individual moves to a new assisted unit.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Falmouth Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Falmouth Housing Authority may grant one ninety (90) day extension from termination if in its sole discretion it determines that the person’s failure to comply was due to circumstances that
could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

12.5 **TIMING OF VERIFICATION**

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 **FREQUENCY OF OBTAINING VERIFICATION**

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible noncitizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination.

12.7 **DISCREPANCIES IN VERIFIED INFORMATION**

An EIV Income Report shall be pulled from the system before annual or interim reexamination is conducted for any family and compared with family-reported information. If the EIV report reveals an income source that was not reported by the tenant or a substantial difference (defined as $2400 or more annually) in the reported income information, the Falmouth Housing Authority will:

A. Discuss the income discrepancy with the tenant; and

B. Request the tenant to provide any documentation to confirm or dispute the unreported or underreported income and/or income sources; and
C. In the event the tenant is unable to provide acceptable documentation to resolve the income discrepancy, the Falmouth Housing Authority will request from the third-party source, any information necessary to resolve the income discrepancy; and

D. If applicable, determine the tenant’s underpayment of rent as a result of unreported or underreported income, retroactively*; and

E. Take any other appropriate action.

*The Falmouth Housing Authority will determine the retroactive rent as far back as the existence of complete file documentation (form HUD-50058 and supporting documentation) to support such retroactive rent determinations.

The tenant will be provided an opportunity to contest the Falmouth Housing Authority’s determination of tenant rent underpayment. Tenants will be promptly notified in writing of any adverse findings made on the basis of the information verified through the aforementioned income discrepancy resolution process. The tenant may contest the findings in accordance with established grievance procedures. The Falmouth Housing Authority will not terminate, deny, suspend, or reduce the family’s assistance until the expiration of any notice or grievance period.

When there is an unsubstantial or no disparity between tenant-reported and EIV-reported income information, the Falmouth Housing Authority will obtain from the tenant, any necessary documentation to complete the income determination process. As noted previously, the Falmouth Housing Authority may reject any tenant-provided documentation, if the Authority deems the documentation unacceptable. Documentation provided by the tenant will only be rejected for only the following reasons:

A. The document is not an original; or

B. The original document has been altered, mutilated, or is not legible; or

C. The document appears to be a forged document (i.e. does not appear to be authentic).

The Falmouth Housing Authority will explain to the tenant, the reason(s) the submitted documents are not acceptable and request the tenant to provide additional documentation. If at any time, the tenant is unable to provide acceptable documentation that the Falmouth Housing Authority deems necessary to complete the income determination process, the Authority will submit a traditional third-party verification form to the third-party source for completion and submission to the Falmouth Housing Authority.
If the third-party source does not respond to the Falmouth Housing Authority’s request for information, the Authority is required to document the tenant file of its attempt to obtain third-party verification and that no response to the third-party verification request was received.

The Falmouth Housing Authority will then pursue lower level verifications in accordance with the verification hierarchy.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.

B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:

1. The family’s income has decreased.

2. The family’s circumstances have changed increasing their expenses for child care, medical care, etc.

3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Falmouth Housing Authority will provide them with the following information whenever they have to make rent decisions:

1. The Falmouth Housing Authority's policies on switching types of rent in case of a financial hardship; and

2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Falmouth Housing Authority will provide an explanation of the reasons for choosing flat rent and the potential impact on the family’s budget.
Authority will provide the amount of income-based rent for the subsequent year only the year the Falmouth Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

A. 10% of the family’s monthly income;

B. 30% of the family’s adjusted monthly income; or

C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family’s actual housing costs, is specifically designated by such agency to meet the family’s housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or

D. The minimum rent of $25.00.

13.3 MINIMUM RENT

The Falmouth Housing Authority has set the minimum rent at $25. If the family requests a hardship exemption, however, the Falmouth Housing Authority will suspend the minimum rent beginning the month following the family’s request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

A. A hardship exists in the following circumstances:

1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

2. When the family would be evicted because it is unable to pay the minimum rent;
3. When the income of the family has decreased because of changed circumstances, including loss of employment; and

4. When a death has occurred in the family.

B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Falmouth Housing Authority has set a flat rent for each public housing unit. Per HUD mandate, in 2014, minimum flat rents will be set at 80% of the Fair Market Rent (FMR) as established by HUD for the Housing Authority's area. Further adjustments will be made for tenant-paid utilities. In no event shall the flat rent be less than 80% of the local FMR established by HUD. Any increase caused by an increase of the flat rent required by HUD shall be limited to 35% of the existing flat rent per year unless state or local law requires a lesser increase.

In subsequent years, the Falmouth Housing Authority is required by HUD to conduct a market study based on the Rent Reasonableness (RR) methodology. In doing so, it will consider the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood as compared to similar units in the private, unassisted rental market.

If the flat rent as determined by the Rent Reasonableness study is at least 80% of the FMR, the Housing Authority must set the flat rents at the amounts determined by the RR
study, subject to utility adjustments. If the flat rent as determined by the RR study is less than 80% of FMR, the Housing Authority must set the flat rents at no less than 80% of the local FMR, subject to utility adjustments. Any phase-in related to the 35% cap increase will continue to apply.

Upon issuance of new FMRs by HUD, the Housing Authority must determine if the current flat rents are at least 80% of the new FMR, and update the flat rent amounts if necessary to meet the 80% requirement within a reasonable time, but no later than 90 days of HUD publishing new FMRs. The Falmouth Housing Authority will tie the timing of the required RR study to the annual issuance of FMRs to avoid possible duplication of flat rent adjustment.

Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Falmouth Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Falmouth Housing Authority has already factored who pays for the utilities unit the flat rent calculation.

13.5 CEILING RENT

The Falmouth Housing Authority has not established a ceiling rent for its public housing units.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

A. The family was receiving assistance on June 19, 1995;
B. The family was granted continuation of assistance before November 29, 1996;
C. The family's head or spouse has eligible immigration status; and
D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:
A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Falmouth Housing Authority. The 95th percentile is called the maximum rent.

B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.

C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.

D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The Falmouth Housing Authority shall not establish a utility allowance for its public housing units since there are no separate meters. The Falmouth Housing Authority supplies all utilities except telephone and cable TV.

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. Payment by check or money order will be preferred. All rents should be paid at 115 Scranton Avenue. Reasonable accommodations for this requirement will be made for persons with disabilities.

Since rent is due on the first of the month and is considered late as of the 5th of the month, a late charge of $25.00 will be added to any rent remaining due on the 15th of the month. This allows a 10-day grace period between the time the rent is considered late and when the late fee is imposed.

Residents maintaining signed repayment plans and making their payments prior to the 15th of the month will be considered current and on time.

Residents who have an unusual circumstance may report same to the Executive Director, prior to the 15th of the month and arrange to sign a repayment plan. By so doing, they will be considered current and no late rent fee will be assessed that month. This cannot be a recurring practice, and the unusual circumstance must be something truly unforeseen and unavoidable. Approval of the circumstance is at the discretion of the Executive Director.

If a check is returned for insufficient funds, in addition to the applicable late charges there will be an additional charge of $15 for bank charges and/or processing costs. In addition, the
Falmouth Housing Authority may require the resident to pay by bank check or money order for up to six months.

14.0 RESERVED

15.0 RECERTIFICATIONS

At least annually, the Falmouth Housing Authority will conduct a reexamination of family income and circumstances. Typically this is done in the month of January. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Falmouth Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

Also, during the recertification, each household shall be asked whether any member is subject to the lifetime registration requirement under a state registration program. The Housing Authority will verify this information using the Dru Sjodin National Sex Offender Database and document this information in the same method used at admission. For any admissions after June 25, 2001 (the effective date of the Screening and Eviction for Drug Abuse and Other Criminal Activity final rule), if the recertification screening reveals that the tenant or a member of the tenant’s household is subject to a lifetime sex offender registration requirement, or that the tenant has falsified information or otherwise failed to disclose his or her criminal history on their application and/or recertification forms, the Housing Authority will pursue eviction of the household.

If a family is about to be evicted from housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the eviction occurs.

15.2 MISSED APPOINTMENTS
If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview may result in the Falmouth Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.

B. The amount of the flat rent

C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.

D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.

E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
   
1. The family's income has decreased.

2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.

3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

F. The dates upon which the Falmouth Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.

G. The name and phone number of an individual to call to get additional information
or counseling concerning flat rents.

H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their recertification, Falmouth Housing Authority will send a reexamination letter to the family offering the choice between a flat or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Falmouth Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Falmouth Housing Authority representative, they may make the selection on the form and return the form to the Falmouth Housing Authority. In such case, the Falmouth Housing Authority will cancel the appointment and solely verify the family size and whether it is an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Falmouth Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

A. 10% of the family's monthly income;

B. 30% of the family's adjusted monthly income;

C. The welfare rent; or

D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the recertification with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the
family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective the month following the recertification.

If the family caused the delay, then any increase will be effective on the recertification date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report changes in family composition to the Falmouth Housing Authority between regular reexaminations. They are also required to report all increases in family income. If a family is paying an income-based rent, it will be adjusted if the income increase equals or exceeds 10% of previous income. The family shall report these changes within thirty (30) calendar days of their occurrence.

In order to add a household member, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete a continued occupancy packet stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Falmouth Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family’s rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Falmouth Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.
Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Falmouth Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Falmouth Housing Authority may schedule special reexaminations every thirty (30) calendar days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Falmouth Housing Authority makes a mistake in calculating a resident’s rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of 12 months. The refund shall be given to the resident as soon as practical or credited to the resident’s account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY
The objectives of the Transfer Policy include the following:

A. To address emergency situations.

B. To facilitate a relocation when required for modernization or other management purposes.

C. To facilitate relocation of families with inadequate housing accommodations.

D. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list.

Category 3: Regular administrative transfers. These transfers are made for non-emergency but medically advisable transfers, and other transfers approved by the Falmouth Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category 1 and 2 will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category 1 will be housed ahead of transfers in category 2.
Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.

B. If the transfer is being made at the request of the Falmouth Housing Authority and the family rejects two offers without good cause, the Falmouth Housing Authority will take action to terminate their tenancy.

16.5 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);

B. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or

C. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

D. When the family is required to pay for the cost of the move, the family will also:

1. Contract for the rehabilitation of the unit they have been living in.

2. Said contract must be with an outside contractor on the Falmouth Housing Authority’s list of approved contractors.

3. The contract must be paid for with funds escrowed with the Housing Authority prior to the family’s move.
4. Rent must continue to be paid on the old unit until the rehabilitation is complete and the unit is ready for re-occupancy.

The cost of the transfer will be borne by the Falmouth Housing Authority in the following circumstances:

A. When the transfer is needed in order to carry out rehabilitation, revitalization, disposition or demolition activities; or

B. When action or inaction by the Falmouth Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.6 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Falmouth Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.7 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Falmouth Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Falmouth Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Falmouth Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.8 RIGHT OF THE FALMOUTH HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.
17.0 INSPECTIONS

An authorized representative of the Falmouth Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Falmouth Housing Authority file and a copy given to the family member. An authorized Falmouth Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Falmouth Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Falmouth Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Falmouth Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Falmouth Housing Authority’s housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Falmouth Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Falmouth Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.
17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Falmouth Housing Authority will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Falmouth Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 MOVE-OUT INSPECTIONS

The Falmouth Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to service animals, support animals, assistance animals, or therapy animals that are used to assist persons with disabilities. These animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors. The person requesting this exclusion to the Pet Policy of this housing authority must have a disability and the accommodation must be necessary to afford the person with a disability an equal opportunity to use and enjoy a dwelling.

To show that a requested accommodation may be necessary, there must be an identifiable relationship, or nexus, between the requested accommodation and the person’s disability. The Falmouth Housing Authority will verify the existence of the disability, and the need for the accommodation— if either is not readily apparent. Accordingly, persons who are seeking a reasonable accommodation for an emotional support animal will be required to provide documentation from a physician, psychiatrist, social worker, or other mental health professional that the animal provides support that alleviates at least one of the identified symptoms or effects of the existing disability.
In addition, the Falmouth Housing Authority is not required to provide any reasonable accommodation that would pose a direct threat to the health or safety of others. Thus, if the particular animal requested by the individual with a disability has a history of dangerous behavior, we will not accept the animal into our housing. Moreover, we are not required to make a reasonable accommodation if the presence of the assistance animal would (1) result in substantial physical damage to the property of others unless the threat can be eliminated or significantly reduced by a reasonable accommodation; (2) pose an undue financial and administrative burden; or (3) fundamentally alter the nature of the provider’s operations."

18.2 PETS IN PUBLIC HOUSING

The Falmouth Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Falmouth Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

18.4 TYPES AND NUMBER OF PETS

The Falmouth Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only one four-legged pet per unit will be allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed twenty-five (25) pounds in weight projected to full adult size.
18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Falmouth Housing Authority to attest to the inoculations.

18.6 PET DEPOSIT

A pet deposit of $300 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate deposit is required for each pet.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Falmouth Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Falmouth Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit with the exception of registered cats (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the Falmouth designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.
With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over ten hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner’s apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet’s owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.
The Housing Authority’s grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

18.11 VISITING PETS

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without Falmouth Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

18.12 REMOVAL OF PETS

The Falmouth Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Falmouth Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Falmouth Housing Authority retroactive rent or back charges and is unable to pay the balance by the due date, the resident may request that the Falmouth Housing Authority allow them to enter into a Repayment Agreement. The Falmouth Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months without special approval of the executive Director. If feasible, the total amount paid will not exceed 40% of monthly adjusted income. All Repayment Agreements must be in writing and signed by both parties. They must include the following elements:

A. Reference to the paragraphs in the Public Housing lease whereby the tenant is in non-compliance and may be subject to termination of tenancy or assistance, or both.

B. The monthly retroactive rent repayment amount is in addition to the family’s regular rent contribution and is payable to the PHA.
C. The terms of the agreement may be renegotiated if there is a decrease or increase in the family’s income.

D. Late and missed payments constitute default of the repayment agreement and may result in termination of tenancy and/or assistance.

Refusal to enter into a Repayment Agreement for monies owed will subject the family to eviction procedures.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

Twelve months after the Falmouth Housing Authority has implemented the mandated Community Service Requirement, it will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Falmouth Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

A. Nonpayment of rent or other charges;

B. A history of late rental payments;

C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;

D. Failure to allow inspection of the unit;

E. Failure to maintain the unit in a safe and sanitary manner;

F. Assignment or subletting of the premises;
G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);

H. Destruction of property;

I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;

J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Falmouth Housing Authority or on the premises of any other federally assisted housing;

K. Non-compliance with Non-Citizen Rule requirements;

L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;

M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;

N. Alcohol abuse that the Falmouth Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;

O. Failure to perform required community service or be exempted therefrom;

P. The Falmouth Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;

Q. Determination that a household member is illegally using a drug or when the Falmouth Housing Authority determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;

R. Criminal activity as shown by a criminal record. In such cases the Falmouth Housing Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a
copy of the criminal record before the Falmouth Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial;

S. Non-compliance with other resident responsibility items listed in the lease;

T Disconnecting a smoke detector in any manner, removing any batteries from a smoke detector or failing to notify the Housing Authority if the smoke detector is inoperable for any reason;

U. Absences from the unit for more than thirty (30) calendar days without the permission of the Falmouth Housing Authority (temporary absences);

V. Failure to comply with the Falmouth Housing Authority anti-smoking policy; and

W. Other good cause.

If an individual or family’s lease is terminated for criminal activity, the Falmouth Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Falmouth Housing Authority will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination.

AND/OR

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Falmouth Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;

2. Has successfully completed a supervised drug or alcohol rehabilitation program; or

3. Has otherwise been successfully rehabilitated.
For this purpose, Falmouth Housing Authority may require the leaseholder to submit evidence of one of the above 3 statements.

20.2A VAWA PROTECTIONS

Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the Falmouth Housing Authority:

An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member is not a signatory to the lease. Under VAWA, the Falmouth Housing Authority is granted the authority to bifurcate the lease.

The Housing Authority will honor court orders regarding the rights of access or control of the property.

There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.

There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.” An actual and imminent threat consists of a physical danger that is real, would occur within an immediate timeframe, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The Falmouth Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below,
and must be submitted within 14 business days after receipt of the Housing Authority’s written request for verification.

20.2B VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING

The Falmouth Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

A. Requirement for Verification. The law allows, but does not require, the Falmouth Housing Authority to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. **HUD-approved form (HUD-50066)** - By providing to the Housing Authority a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.

2. **Other documentation** - by providing to the Housing Authority documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional’s belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. **Police or court record** – by providing to the Housing Authority a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

**B. Time allowed to provide verification/failure to provide.** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the Housing Authority to provide verification, must provide such verification within 14 business days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action. The submission of false information may be the basis for the termination of assistance or for eviction.

**C. Managing conflicting documentation.** In cases where the Falmouth Housing Authority receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the Falmouth Housing Authority may determine which is the true victim by requiring third-party documentation as described in 24 CFR 5.2007 and in accordance with any HUD guidance as to how such determinations will be made. The Falmouth Housing Authority shall honor any court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household.

**20.2C CONFIDENTIALITY**

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence and shall not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

A. Requested or consented to by the individual in writing;

B. Required for used in an eviction proceeding; or

C. Otherwise required by applicable law.

The Falmouth Housing Authority shall provide its tenants notice of their rights under VAWA including their right to confidentiality and the limits thereof.

**20.3 TERMINATIONS FOR CRIMINAL ACTIVITY**

A. The term “due process determination” means a determination by HUD that law covering the Falmouth Housing Authority’s jurisdiction requires that residents must
be given the opportunity for a hearing in court which provides the basic elements of
due process before eviction from the dwelling unit.

B HUD has issued a due process determination that the law of this State requires that
residents be given the opportunity for a hearing in a court that provides the basic
elements of due process before eviction from a dwelling unit. The Falmouth
Housing Authority has therefore determined that this Grievance Procedure shall not
be applicable to any termination of tenancy or eviction for:

1. Any criminal activity that threatens the health, safety, or right to peaceful
   enjoyment of the Falmouth Housing Authority’s public housing premises by
   other residents or employees of the Housing Authority;

2. Any violent or drug-related criminal activity on or off such premises; or

3. Any activity resulting in a felony conviction.

20.4 ABANDONMENT

The Falmouth Housing Authority will consider a unit to be abandoned when a resident
has both fallen behind in rent AND has clearly indicated by words or actions an intention
not to continue living in the unit.

When a unit has been abandoned, an Falmouth Housing Authority representative may
enter the unit and remove any abandoned property. It will be stored in a reasonably
secure place. A notice will be mailed to the resident stating where the property is being
stored and when it will be sold. If the Falmouth Housing Authority does not have a new
address for the resident, the notice will be mailed to the unit address so it can be
forwarded by the post office. All state laws shall be complied with.

Any money raised by the sale of the property goes to cover money owed by the family to
the Falmouth Housing Authority such as back rent and the cost of storing and selling the
goods. If there is any money left over and the family’s forwarding address is known the
Falmouth Housing Authority will mail it to the family. If the family’s address is not
known, the Falmouth Housing Authority will keep it for the resident for one year. If it is
not claimed within that time, it belongs to the Falmouth Housing Authority.

20.5 RETURN OF SECURITY DEPOSIT

After a family moves out, the Falmouth Housing Authority will return the security
deposit within 30 calendar days or give the family a written statement of why all or part
of the security deposit is being kept. The rental unit must be restored to the same
conditions as when the family moved in, except for normal wear and tear. Deposits will
not be used to cover normal wear and tear or damage that existed when the family moved
in.
The State law requiring the payment of interest on security deposits shall be complied with.

The Falmouth Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within 30 calendar days.

20.6 **THE EIV’S DECEASED TENANTS REPORT**

The Falmouth Housing Authority shall generate the EIV’s Deceased Tenants Report monthly shortly before either the end of the month or creating rent statements to see if the system flags deceased residents. The Falmouth Housing Authority shall review the report and follow up with any listed families immediately and take any necessary corrective action as set forth in PIH Notice 2010-50 or successor publications.

If it is a single member household, the Housing Authority shall immediately visit the unit and determine if it is vacant or occupied by an unauthorized person. If improperly occupied, the Housing Authority shall take immediate eviction actions under state law. If the property is occupied by a live-in-aide to the deceased person, the aide must move out immediately and is not eligible for continued occupancy or rental assistance.

21.0 **SUPPORT FOR OUR ARMED FORCES**

A major and important component of our armed forces is the part-time military personnel that serve in various Reserve and National Guard units. The Falmouth Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Falmouth Housing Authority wants to support these brave warriors in the following manners:

A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.

B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family’s income, the Falmouth Housing Authority will expeditiously re-evaluate a resident’s rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.

D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

22.0 ANTI-FRAUD POLICY

The Falmouth Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Falmouth Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Falmouth Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Falmouth Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

A. Require the resident to immediately repay the amount in question;

B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;

C. Terminate the resident’s tenancy;

D. Refer the case for criminal prosecution; or

E. Take such other action as the Falmouth Housing Authority deems appropriate.

2. Total tenant payment for families residing in public housing does not include charges for excess utility consumption or other miscellaneous charges.

The Falmouth Housing Authority will require evidence that the family has been displaced as result of fleeing violence in the home. Individuals and families are also eligible for this preference if there is proof that the individual or family is currently living in a situation where they are being subjected to or victimized by violence in the home. Evidence or proof may include a Protection from Abuse Order, police report, or written verification that the individual or family is living in an emergency shelter because the individual or family has been subjected to or victimized by violence by a member of the family or household. The following criteria are used to establish an individual’s or a family’s eligibility for this preference:

A. Verified actual or threatened physical violence directed against the applicant or the applicant’s family by a spouse or other household member who lives in the unit with the family or where the family has fled its housing to escape from an abuser.

The Housing Authority will approve the return of the abuser to the household under the following conditions:

A. The Housing Authority verifies that the abuser has received therapy or counseling that appears to minimize the likelihood of the recurrence of violent behavior.

B. A counselor, therapist or other appropriate professional recommends in writing that the individual be allowed to reside with the family.

It includes such benefits even when they are:

A. Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

B. Conditioned on participation in work experience or community service (or any other work activity under 45 CFR 261.30).

Welfare Rent: In "as-paid" welfare programs, the amount of the welfare benefit designated for shelter and utilities.
